

# Payment Options

We are committed to providing you with convenient and budget-friendly payment solutions. We acknowledge that not all payment methods are created equal, and it's unfortunate that some come with additional charges. Rest assured, there are still options with no additional costs:

## New Convenient Options

Make a secure and convenient payment through the FRONTSTEPS payment platform! Please note that the following fees are convenience fees charged by FRONTSTEPS:

- Credit Card Payment (3.95% per transaction)
- Debit Card (3.95% per transaction)
- ACH Recurring (\$2.95 per transaction)
- ACH One-time (\$2.95 per transaction)

## Existing Low/No Cost Options

- Traditional Method: Mail a check along with your payment coupon to the address provided on your coupon.
- Online with Alliance Bank: Access AAB's secure online payment portal at <https://pay.allianceassociationbank.com>. It's quick, easy, and if you pay with an e-check, as a one-time payment, or set up recurring payments, it is entirely free of charge.
  - You will need: Management Company ID, Association ID and your Account Number from your coupon.
- Bank Bill Pay: Leverage your personal bank's bill pay system to schedule payments (fees may apply, depending on where you bank). Keep in mind you need to allow up to 10 days for mailing.

*\*We want to clarify that if you have a payment option in place, there is no immediate action required on your part. Your chosen payment method will continue as scheduled.\**
